Science After Sunset: “Better Homes & Gardens: Aquarium Types & Styles”

The Flint RiverQuarium’s bi-monthly education program, *Science after Sunset*, continues Tuesday, June 7, 2011, at 6:00 p.m. at the RiverQuarium. This month’s theme is “Better Homes & Gardens: Aquarium Types & Styles.”

The RiverQuarium’s chief curator, Richard Brown, will present an interactive presentation comparing a standard home aquarium with large public aquariums such as the Flint RiverQuarium. They are similar in many ways!

Refreshments and light hors d’oeuvres will be served following Mr. Brown’s program, and attendees are welcome to tour the RiverQuarium. Admission for RiverQuarium members is \$6 per person; \$8 per person for non-members. Reservations are requested. The RiverQuarium is located at 101 Pine Avenue, in downtown Albany. Please contact Kathy Batson at (229) 639-2650 to make a reservation or for more information.
